Bandung, Indonesia | P: +62 82284614718 | muhamadalfikri077@gmail.com | [linkedin.com/in/alfikri-sy.p](https://www.linkedin.com/in/alfikri-sy.p)

Highly motivated Software Developer with hands-on experience in frontend and mobile development. Proficient in modern frameworks and technologies including Nuxt.js, Next.js, React.js, Laravel, Flutter, and Kotlin. Proven track record in automating business workflows, Skilled at building scalable web and mobile applications, improving performance, and delivering impactful solutions. Passionate about problem-solving, continuous learning, and working collaboratively in cross-functional teams.

## Education

### Telkom University

Associate of Applied Science in Informatics Engineering, GPA 3.67/4.0

Bandung, Indonesia

Sep 2022 - Aug 2025

## Certifications

### IT Support Google

Aug 25 2022

Coursera Google Certification

### Ethical Hacking / Penetesting\_ & Bug Bounty/ Udemey

Sept 25 2025

### MongoDB CRUD Operations

Okt 25 2023

MongoDB Certifications

### Web Security Penetration Tester & Bug Bounty/ BuildWithAngga

Aug 31 2025

## Professional Experience

### Aku Pintar Indonesia

Fullstack Developer

Jakarta Barat, Indonesia

Nov 2025 - Now

- Konsul Pintar Development (Next.js): Building the Konsul Pintar website up using Next.js, focusing on efficient rendering and robust API integration for a smooth user experience.
- Aku Pintar (React.js, Express.js): Developing the next-generation akupintar.id website using React.js for frontend and Express.js for backend, to enhance performance and ensure UI consistency across all platforms.
- Optimized system integration by collaborating closely with UI/UX teams to deliver an intuitive user interface.

**Tech Stack :** Express.js, NextJs, React.js, Tailwind, Shadcn Ui, REST API

### Rodja Radio (Freelance / Self-Employed)

Fullstack Developer Academic Portal (Exam Reporting Automation)

Depok, Indonesia

Dec 2025 - Feb 2026

- Designed and implemented a scalable radio streaming architecture separating frontend, backend API, and audio streaming services using Next.js, Node.js/Express, and Icecast.
- Deployed 24/7 live audio streaming on Oracle Cloud Infrastructure (Always Free Tier) and integrated content and streaming metadata via RESTful APIs.
- Built a modern, responsive, and SEO-friendly frontend deployed on Vercel, applying cloud deployment best practices.

**Tech Stack :** Next.js, Tailwind CSS, Shadcn/UI, Node.js, Express.js, Icecast

### FRI Telkom University (Freelance / Self-Employed)

Fullstack Developer Academic Portal (Exam Reporting Automation)

Bandung, Indonesia

Nov 2025 - Dec 2025

- Digitalized exam reporting (BAP) using a multi-role system (Supervisor & LAA) to streamline administrative workflows and automate data verification.
- Integrated real-time analytics dashboards to monitor daily reporting statistics, enhancing transparency and accuracy in academic data recapitulation.

**Tech Stack :** Laravel, Vite, PHP, MySQL, Tailwind CSS, Chart.js.

### PT United Transworld Trading

Frontend Developer

Cikarang, Indonesia

Jul 2025 - Sept 2025

- Increased reporting efficiency for quarterly cycles by developing a React.js-based daily report automation system.
- Streamlined data management by integrating systematic document/image upload and data export functionalities.
- Optimized system integration by collaborating closely with UI/UX and Backend teams to deliver an intuitive user interface.

**Tech Stack :** React.js, REST API, File Handling, Data Export Systems.

## Organizational experience

---

### Chevalier Lab SAS

Bandung, Indonesia

Web Division Lab Assistant

Jan 2024 - Aug 2024

- Supported the development and maintenance of 3+ web-based research projects under the Software Engineering Study Program.

### CoE MREC Tel-U

Bandung, Indonesia

Lab Assistant

Aug 2023 - Aug 2024

- Assisted in AR/VR research and development, contributing to 2+ active prototypes supervised by the Faculty of Applied Sciences.

## Technical Skills

---

### Tech stack

- **Languages:** JavaScript (ES6+), TypeScript, PHP, Kotlin, Dart.
- **Frontend:** React.js, Next.js, Vue.js, Nuxt.js, Tailwind CSS.
- **Mobile & Backend:** Flutter, Laravel, Express.js, Firebase.
- **Tools & Others:** Git, Figma, Bitbucket, Linux OS.

## Soft Skills

---

- Public speaking
- Creativity
- Team collaboration
- Adaptability

## Languages

---

- **Indonesian:** Native
- **English:** Professional Working Proficiency
